VOL. IX. NO. 67.

CHICAGO, THURSDAY, MARCH 19, 1903.

PRICE 5 CENTS

## APPROVE KINLOCH OFFICIALS.

At a special meeting of the Board of Stewards of the Western Jockey Club held Wednesday, March 18, the following list of racing officials for the spring meeting of the Kinloch Jockey Club was approved:

Joseph A. Murphy, presiding judge and handicapper.

Wilson P. Hunt, associate judge.

Phil Chew, secretary.

Ralph H. Tozer, clerk of the course.

W. M. Murray, starter.

Mr. Joseph D. Lucas was appointed official steward to represent the Western Jockey Club at said meeting.

## HAWTHORNE DECLARATIONS.

The following horses have been declared out of the Hawthorne Handicap: Flying Torpedo, Vulcain and The Unknown.

Witfull incurred a penalty of eight pounds through winning the Crescent City Derby. This makes her weight 101 pounds in the handicap.

## GOSSIP OF THE TURF.

Will McDaniel has announced that he would not send his Tennessee Derby candidate, Fore and Aft, to Memphis for the Montgomery Park event. He stated that owing to the bad weather it was impossible to get the son of George Kinney ready for the race. McDaniel has been counting on starting the Gerst colt in this race all the winter, and his failure to have him in shape was a great disappointment to both him and Mr. Gerst, as he was confident that Fore and Aft would have captured the big end of the prize. In speaking of the colt trainer McDaniel said recently: "I don't think there is a colt at Memphis that can beat him. There is not a horse in the Schorr or Bennett barn in his class, and it was these stables that I would like to beat. Fore and Aft is a much better colt than the public gives him credit for being, and I am going right out after the big derbies with him."

The only stable that will be shipped to Memphis from Nashville will be that of J. G. Greener & Co., in charge of Albert Franklin. The string numbers fifteen, and includes the Tennessee Derby candidate, Postmaster Wright and Maizavena and Olefant, both eligible to the Oaks. Franklin thinks his chances for the Montgomery Park features are very good, and will start in both races. There are several shifty two-year-olds in the collection that should give a good account of themselves. At the close of the Memphis meeting the stable will return to Nashville.

Unless there is a decided change in the weather, owners and trainers located at Nashville are going to have trouble getting their charges in condition to race by the time the spring meeting at Cumberland Park opens. For the last two weeks it has been raining, causing the owners and trainers to confine their operations to the covered track. The main course has been closed most of the time, and the equines are backward in their work to a certain extent. If there is no change in the weather by the latter part of this week, the owners will have to prepare their horses in the mud, which necessarily means that the good ones will remain in their stalls.

The following is taken from the New York Sun of March 16: "One week from today the racing season of 1903 in the east will be opened at the Bannings track, which will be oper-

ated in future by the same men who control Morris Park. This means that Bennings will have higher class racing than ever before, and that in another year the Washington Jockey Club will probably offer even more attractive stakes than those gracing the program for the fall and spring meetings. Reports from Bennings say that there will be more prominent owners there than in the past, and that there will be more horses in the stables in and about the track than at any time since the gates were first opened, all of which shows that when the racing season in the metropolitan district begins at Aqueduct on April 5 the campaign will be under full sway and the public interest will eclipse all previous records as to attendance and enthusiasm.

During the week many trainers who have been preparing their horses at Gravesend and Sheephead Bay will load them on the cars for Washington. The weather here has been so mild that the work of getting the thoroughbreds in shape has progressed rapidly, so that it will not take long to put them in real racing fettle. Many owners who have been racing all winter at New Orleans and on the coast will also turn eastward so as to be on the ground in time to begin operations at the Nation's capital. The spring meeting at Memphis will be a convenient stop-over for horsemen coming from the far west, at the conclusion of which they can get here in time for the opening of the Westchester meeting at Morris Park."

Had Rightful, J. W. Schorr's candidate for western Derbys, shown over a distance of a mile as fast as he did last Monday, the chances are that he would have been shipped to New Orleans and started in the Crescent City Derby. Accompanied by Ordnung, the aged performer in Schorr's string Rightful went the fastest mile of the season at Montgomery Park. Ordnung started from the stand and was joined by Rightful at the three-quarter post. The pair fought it out all the way, but at the finish Rightful was an easy victor, and the time was less than 1:43. Rightful carried most weight, and his performance makes him a likely candidate for the Montgomery Handicap, in which he is in with 99 pounds. Montanic, Rolling Boer, Nitrate and Crilon were given work over the jumps for the first time Monday, and it is the intention of Trainer Durnell to make timber toppers of them if possible. Old Montanic took to his new task nicely and fenced like he had been asked to do so on former occasions.

The racing string of A. W. & R. McKenzie has arrived at Memphis from Canada. The horses include Malden, Heather Bee, Wire In and some juveniles. E. Trotter has arrived from New Orleans with Scorpio, War Cry, Apple Sweet, Showman and others.

## NEW ORLEANS NOTES.

James Arthur has bought Federal for \$1,500.

All entries of Hart Dernham will be refused by the Crescent City and New Louisiana Jockey Clubs in the future.

## KINLOCH STAKES CLOSE TODAY.

Attention of horsemen is called to the fact that the stakes of the Kinloch Jockey Club close today. The spring meeting opens April 15 and runs fifteen days. All communications and entries should be addressed to Joseph A. Murphy, 14 N. 8th St., St. Louis, Missouri.

She went to the front without great effort while rounding the far turn and only cantered the balance of the way. Versifier finished gamely under a hard drive. Silver Fringe tired badly after showing much early speed. Gannon put up a bungling ride on Miriam W.  
Overweights—Lady Winkle, 1 pound; Wilton, 2½.

Went to post at 3:31. At post 5 minutes. Start good. Won driving; second handily. Hicks rode a strong finish on Star Gazer and got him up in the last stride. Sir Christopher was much the best. Smith's carelessness cost him the race. He attempted to draw the finish close and had his mount under a stout pull through the last sixteenth and eased him up almost to a canter at the end. Limelight came from away back in the stretch run, finished fast and caught Bummer II. tiring at the end. Fickle Saint showed early speed, but tired badly in the last furlong. Cork ran well for five furlongs.

Bart Howe showed the most early speed, but tired in the stretch run and just managed to last long enough to stall off Rayomen. The latter came with a rush and was fast wearing the winner down. Aimless was outrun for the first half and finished fast. Geneseo tired. Lanchim had a rough trip and was cut off a couple of times.

Winner—Ch. g. by Little Minch—Ivy Benjamin (trained by J. Enright).  
Went to post at 2:11. At post 6 minutes. Start straggling. Won handily; second driving. Dagmar, lucky at the start, picked the best going and practically forced the pace throughout, coming away fast in the last fifty yards after a long stretch drive. Legal Maxim appeared dangerous in the stretch, but tired in the final drive. Mission, crowded at the start, worked a rough journey and finished with a rush. The Singer ran in improved form and closed up a gap from a poor start and held on gamely. Pirate Maid favors a muddy track. Buck Taylor and Escarola had scant chance at the start.  
Scratched—37820 Dark Secret, 106.  
Overweights—Dagmar, 1 pound; Legal Maxim, 1; Pirate Maid, 3; Indina, 2; Buck Taylor, 3; Ingo, 1.

Winner—Br. f. by Orvieto—Coalesce (trained by D. Cameron).  
Went to post at 2:40. At post 3 minutes. Start good. Won handily; second easily. Mildred Schultz worked a rough journey to the stretch, but with clear sailing in the last furlong she came away like a flash and was best today. Doublet, evidently short, went to the front in the early stages and appeared like the winner when straightened out in the stretch, but tired right at the end. Hipponax, away poorly, closed up a big gap and ran a good race. Florinel II. went well throughout. Hercules is a very fast horse and should give a good account of himself on a fast track.  
Scratched—36782 Roltaire, 106; 37842 Father Wentker, 105; 37796 Alaria, 104; 37831 Cambareres, 101.

Time, 24½, 49½, 1:16, 1:23½.  
Winner—B. c. by Dr. Rice—Eothen's Pearl (trained by E. Peters).  
Went to post at 3:05. At post 5 minutes. Start fair. Won easily; second the same. Stunts, away poorly and interfered with in the first quarter, closed up a big gap in the last half, finished like a flash on the outside in the good going and won going away. Modicum gradually improved his position in the best going and drew clear in the stretch, but tired badly at the end. J. H. Bennett, particularly favored by the stiff track, displayed unexpected speed and stamina. John Lemmons, away badly and repeatedly interfered with, closed up a great gap and was going fast at the end, runs like a stayer and is more than average class. San Lution was in the bad going throughout and ran well. Yellowstone can do better. John Lemmons was claimed after the race by D. S. Fountain.  
Scratched—37712 Montana Peeress, 98; 37811 Horatius, 97; 37806 Master, 89.

Time, 25, 51½, 1:18, 1:44½, 2:10½.  
Winner—B. g. by Jackson—Miss Hooker (trained by R. Burns).  
Went to post at 3:31. At post 1 minute. Start good. Won driving; second easily. Oriana closed up with a rush and outstayed Goldone after a long stretch drive. Goldone made the running for the first mile well in hand, but was poorly handled in the final effort and was probably unlucky to lose. Tufts, as usual, came with a belated rush at the end. Bonnie Lissak tired after going seven furlongs. Filibuster tired after following the pace-maker closely for six furlongs.

Time, 25½, 50½, 1:16, 1:43, 1:46½.  
Winner—B. m. by Lettoon—Anvolee (trained by D. A. Honig).  
Went to post at 3:55. At post 1 minute. Start good. Won driving; second easily. Antolee, reserved to the stretch, finished fast on the outside and caught the leaders tiring. Mechanus, fresh and good, liked the slow track and forced the pace throughout, made a wide stretch turn and came away from the others in the last furlong an apparent winner, but was caught napping. Barklyite, forced in the deep going in the first half, fell in behind the leaders, but came through at the end and but for bumping a furlong out might have won. Bard Burns was a good horse at the distance, but went the longest way. Ben Mac Dhui failed to stay after going a good seven furlongs and evidently disliked the heavy going.  
Antolee, show, 7 to 10. Mechanus, show, 3 to 5. Barklyite, show, out. Ben Mac Dhui, show, out.

Winner—B. m. by Candlemas—Duchess of Towers (trained by C. Young).

Went to post at 4:21. At post 5 minutes. Start good. Won driving; second the same. Tower of Candles broke slowly, went through next to the rail and led by a wide margin to the stretch where she tired badly and was handicapped in the stiff going. Sweet Tooth also disliked the track and was best, came with a belated rush at the end and but for swerving at a critical moment might have won. Muresca trailed to the stretch and finished fast. Quiz tired after running prominently for a half.  
Tower of Candles, show, 1 to 4. Sweet Tooth, show, 2 to 5. Muresca, show, 1 to 3.

## WIN AT WASHINGTON!

The Washington Race Meeting opens at Bennings Monday, March 23rd. It continues for three weeks. Ten dollars placed on each of our selections daily there last season netted \$400. We did not have a losing week, and had only two or three losing days. We are there again awaiting the commissions of our three thousand patrons, and you are invited to join us.

The Use of Our Turf Information Makes You a Rival of the United States Mint.

### OUR THREE SYSTEMS

The Maxim & Gay Company has three distinct systems of operating. They are the One-Horse-Per-Day play, the Three-Horse-Per-Day play, and the Six-Horse-Per-Day play. They are easily understood. When our force of experts meet at night to give over their selections for the morrow some one horse stands out prominently in their judgment as a winner. We, therefore, take this horse as the best single bet of the day, and the name of this horse constitutes the One Horse-Per-Day play. Enlarging on the idea, three horses are selected and given for the Three-

Horse-Per-Day play. The Six-Horses play consists of the one horse chosen to win each of the six races daily.

Here follow the results of a \$10 play of each of these systems at Benrings last spring:

### Our Record at Washington Last Season.

Here follows our record last Spring at Washington, showing the horses we selected in each of our series for our subscribers. A reckoning is made showing the result of a ten dollar wager on each selection. Look it over:

Closing odds, according to the New York Daily America, are guaranteed. Statements are sent to all account clients weekly, with check for profits. All accounts are played continuously until ordered withdrawn. Clients have the privilege of withdrawing any balance to their credit at pleasure. The smallest account we handle is \$50. The smallest amount we will place for any client on one horse is \$5. There is no limit to the amount of money you can send us to be placed for you. In remitting, be sure to state whether you want us to play daily the One-Horse-Wire, the Three-Horse-Wire, or the Six-Horse-Wire, and state explicitly how much you wish placed on each horse. Remittances should be in our hands by Saturday, March 21, to insure a play from the beginning of the Bennings Meeting, on March 23. Any that reach us later will be played beginning with the day of receipt.

Remit by postoffice money order, express money order, New York Bank Exchange, or by telegraph direct to us at Washington. No commissions for Washington will be accepted at our New York or New Orleans Offices. Address MAXIM & GAY COMPANY, P. O. Drawer 30, Washington, D. C.
